

Q1. Write a program to write your name , college name and address in three labels.

Ans:-

```
1 import java.awt.*;
2 import java.applet.*;
3 public class LabelDemo extends Applet
4 {
5     public void init()
6     {
7         Label one = new Label("Narendra Nath Panda");
8         Label two = new Label("Kingston Polytechnic College");
9         Label three = new Label("Taki");
10        // add labels to applet window
11        add(one);
12        add(two);
13        add(three);
14    }
15 }
16
```
